Electrical:

Installation and Fabrication:

- Medium/Low voltage Switchgear
- Medium/Low voltage MCC
- Medium/Low voltage Drives
- Power distribution panel boards
- Low Voltage Transformers
- Lighting panels
- Communication network panels
- Uninterruptible power supply

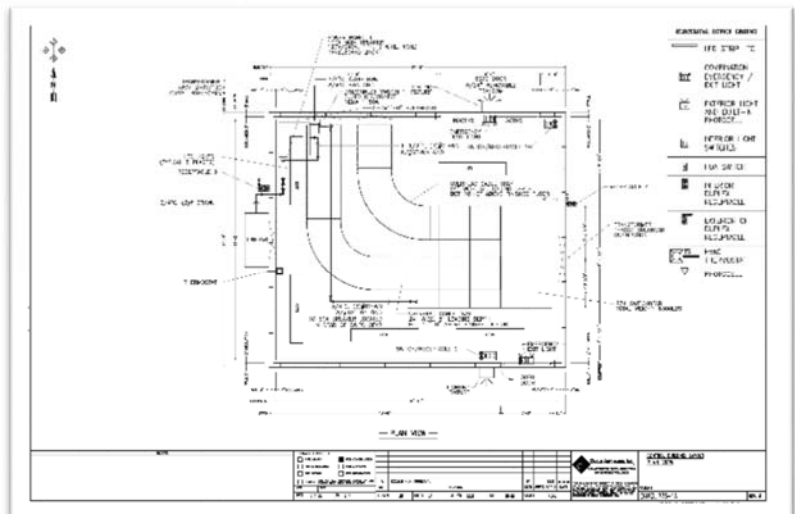

MCC Manufactures:

- Rockwell
- Square-D
- GE
- ABB
- EATON

Building Design:

- Layouts
- Elevations
- Cable Tray and Conduit Routing plans
- Transformer and Panel board schedules
- Lighting
- Fire and Gas

Controls:

Distributed Control Systems:

- DeltaV (pictured)
- Foxboro
- Honeywell

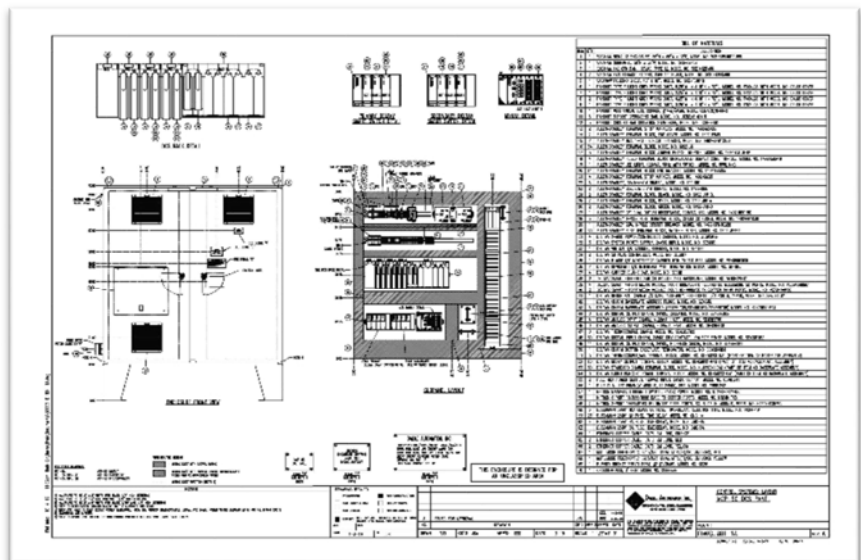

PLC Systems:

- Allen-Bradley (pictured)

Control System Design:

- Panel layouts
- Schematics
- Interconnections

Safety Systems:

- Allen-Bradley
- Triconix
- DeltaV SIS (pictured)
- Relay bases
- HIMA

Certified UL508A and
Hazardous Locations
Panel Shop

Muli-Burner BMS:

- Allen-Bradley
- Triconix (pictured)
- DeltaV SIS
